KYLS PHOTO & FILM

WELCOME

WHERE LOVE MEETS ART

KYLS PHOTO AND FILM

Heya! I'm Kyla, the dreamer with big ideas, a heart for people, and a talent for turning ordinary moments into something special. If there's laughter in the room, I'm probably in the middle of it. If there's a glass of wine, well..let's just say I won't let it go to waste!

I believe life is best lived with good company, spontaneous adventures, and stories that get better every time you tell them. I'm a social butterfly with a soft spot for deep conversations, loud family gatherings, and meeting new people who feel like old friends. Oh and if you ever need a dance partner when your favourite song comes on? I'm your girl!

So, now that you know a little about me, I'd love to get to know you too! Let's make some memories, share some laughs, and maybe create a story worth telling.

Meet Nina

Working alongside me is Nina, the heart behind your wedding films. She believes the most beautiful moments are never the ones you plan. They're the quiet glances, the deep breaths before "I do," the joyful tears, and the love that's felt far more than it's ever spoken.

With a calm presence and an eye for genuine emotion, Nina transforms fleeting moments into timeless films that allow you to relive your day exactly as it felt. Beyond the camera, she's known for her gentle nature, contagious sense of humour, and the smile she always wears. She has a serious sweet tooth, loves a good cappuccino, is always effortlessly well dressed, and never says no to a new adventure.

Her warmth puts couples instantly at ease, allowing every film to feel natural, honest, and beautifully you.

Everything you need to know

How far do you travel?

Adventure is always welcome.

Every collection includes 100km of complimentary travel from Montana Park, Pretoria. If your celebration takes us a little further, travel is charged at R5.50/km (round trip). Should accommodation be required, we'll discuss everything with you beforehand – no surprises.

Are there any hidden costs?

Never.

Transparency is important to us. Everything included in your collection, along with any additional costs, will be clearly communicated before you book. We believe your experience should feel exciting – not uncertain.

When will we receive our gallery?

Beautiful things take time.

Every wedding is carefully curated and individually edited to ensure your gallery reflects the quality and timeless style you see throughout our work. Our turnaround time is 10–12 weeks, and we promise it's worth the wait.

Do we receive the RAW images?

Our editing is part of the story.

RAW files are unfinished, much like an unprinted film. Every image you receive has been hand-selected and professionally edited to reflect the Kyls Photo & Film experience.

How do we reserve our date?

The easy part.

Once you've decided we're the perfect fit, we'll send you your booking proposal, contract and invoice. A signed agreement together with a 50% non-refundable booking fee officially secures your wedding date.

Still have a question? I'd love to chat over coffee (or a video call) and answer anything that's on your mind.

If you've made it this
far...
I already can't wait to
tell your story.
